Catchment Areas	C.A. Bdy.

Altitude (in feet)

The Altitudes are above the mean level of the Sea at Liverpool or Newlyn (as stated).

The Contour altitudes are written thus... 200

Altitudes along roads and to Trig! Stations obtained by Spirit Levelling, are written thus 300., the dot showing the spot at which the altitude is taken.

Altitudes with the letters B.M. marked \wedge against them, refer to marks made on Buildings, Walls, Milestones, &c.

Note: Where any Boundary other than County or Administrative County is coincident with Civil Parish Boundary, the Symbol for the latter is shown, other Areas being denoted by description along the Boundary.

Examples of Boundary Mereings

Symbol marking point where boundary mereing changes
