***How to find the map codes.** These are listed in the brochure. If you are choosing your maps on the web site, go to the product page of the specific map you're interested in: the Cassini code can be found just above the picture of the map cover towards the top of the page. Remember that for our national series, the Cassini code is made up of the Series code (see above) followed by the OS Landranger number. If you require further assistance, phone or email our helplines (see below).
